**Editor’s Note**

_The Journal of Contemporary Issues in Business and Government_ is a cross-sector, interdisciplinary scholarly journal published by Curtin Business School at Curtin University. The _Journal_ aims to advance the science of management by publishing papers designed to inform management praxis through the dissemination of applied research. The _Journal_ follows a double blind refereeing process and currently publishes two issues each year. Submission of a paper to the _Journal_ is held to imply that it is original work and that it has not already been published or submitted for publication elsewhere. Potential authors are encouraged to communicate with the Editor-in-Chief about the possibility of publishing special symposia, papers and book reviews. Details of publication requirements are available at www.business.curtin.edu.au/business/research/journals.
