

Editor's Note

The Journal of Contemporary Issues in Business and Government is a cross-sector, interdisciplinary scholarly journal published by Curtin Business School at Curtin University. The *Journal* aims to advance the science of management by publishing papers designed to inform management praxis through the dissemination of applied research. The *Journal* follows a double blind refereeing process and currently publishes two issues each year. Submission of a paper to the *Journal* is held to imply that it is original work and that it has not already been published or submitted for publication elsewhere. Potential authors are encouraged to communicate with the Editor-in-Chief about the possibility of publishing special symposia, papers and book reviews. Details of publication requirements are available at www.business.curtin.edu.au/business/research/journals.
